

Are you being bullied?

A bully can be a
supervisor, administrator or co-worker.

Bullying behavior at work can happen to anyone.

**If you answer Yes to any of these questions,
then this seminar is for you!**

- Have you experienced bullying or know someone that has?
- Would you know if you were the bully?
- Do you feel isolated at work, school, home or other places?
- Are others spreading rumors or false information about you?
- Do you feel anxious or depressed when you have to interact with a hurtful person?
- Have you experienced the silent treatment or people whispering when you come around?
- Have you been repeatedly denied a raise or promotion without a valid reason?
- Have you been repeatedly prevented from expressing yourself (i.e. interrupted when speaking)?
- Have you been reprimanded or “put down” in front of others?
- Has someone flaunted his or her status or treated you in a condescending manner?
